

Dear valued McLeod customer & friend:

Another friendly update to keep you "in the know"!

I have been loving the warm weather of AZ, and can finally say I am settled in. Plus I am 3.5 months pregnant!

I wanted to let you know that I have, yet again, taken over all the sales for McLeod Design Group. I have been helping my Dad, Michael, as much as possible since I have been gone but he has asked that I resume my original job of taking care of sales. As of today I am proud to say I am back! I will be working hard taking care of sales and being involved in some of the online social networks (e.g. Facebook). It is a nice way to keep people up to date and answer any product questions you may have. We will also be having special promotions only available to our Facebook Fans. We had a group page but I didn't care for the setup so I deleted it and started FRESH. If you are on Facebook please let me know or follow this link and become a fan now!

I hope to see as many of your friendly faces on Facebook and please let me know if there is anything I can do for you.

My new direct business line is: 734-642-0333. My hours of operation will be M-F 9-5 EST.

Spread the word: Lets make 2010 a great boating year!!

Stephanie McLeod Lee
